Steel & Fencing

Chemvet - Steel & Fencing

Company Profile

About Chemvet

Building Africa Since 1979

Founded in 1979, Chemvet Steel & Fencing has grown into one of Southern Africa's most trusted manufacturers and suppliers of steel, fencing and agricultural infrastructure solutions.

For more than four decades, we have served customers across the agricultural, mining, industrial, commercial and security sectors, providing durable products and dependable service that stand the test of time.

From our manufacturing and distribution facilities in Gauteng, we supply customers throughout South Africa, across the African continent and globally with quality steel products, fencing systems, roofing solutions and custom-engineered structures.

Our success has been built on a simple philosophy: deliver superior products, exceptional service and practical solutions tailored to each customer's unique requirements.

Today, Chemvet continues to combine traditional values of integrity and reliability with modern manufacturing capabilities, ensuring every project benefits from our experience, technical expertise and commitment to quality.

Mission & Vision

Mission

We always guarantee friendly and professional service and to the complete satisfaction of our clients.

Our Solutions

The Golden Standard of Quality Since 1979

- 1 Professional Advice**

Our knowledgeable sales and technical teams work closely with customers to recommend the most suitable products and solutions for their specific requirements. Whether your project is agricultural, industrial, mining or commercial, we provide practical expertise backed by decades of experience.
- 2 One Load Delivery**

We simplify procurement by supplying multiple products from a single source. Our coordinated logistics and delivery services ensure projects stay on schedule while reducing administration and transport costs.
- 3 Cross-Border Capability**

Chemvet has successfully supplied projects throughout Southern Africa and beyond. We understand the complexities of cross-border logistics and ensure reliable delivery wherever your project is located.
- 4 Your One-Stop Shop**

From steel and roofing materials to fencing systems, gates, structures and accessories, Chemvet offers a comprehensive product range under one roof, saving customers time and ensuring consistent quality.
- 5 Manufacturer Direct**

As a leading manufacturer of fencing products, posts, stays, hinge joint fencing, gates and steel solutions, we deliver quality products at competitive prices while maintaining strict quality standards and dependable lead times.
